Section 1. Association Easements. Only the Association shall have such rights in and to the Common Area as follows:

(a) for the purpose of providing drainage, landscaping, walls, utilities, and the maintenance thereof;

(b) to dedicate or transfer all or any part of the Common Area to any municipality, public agency, authority, or utility for such purposes and subject to such conditions as may be agreed upon by the members. No such dedication or transfer shall be effective unless an instrument executed by two-thirds (2/3) of each class of members agreeing to such dedication or transfer has been duly recorded.

Section 2. Acquisition of Additional Common Area; Additional Lands May Be Subject to Declaration. Declarant may convey to the Association additional real estate, improved or unimproved, located within, adjacent to, or near the Property which, upon conveyance or dedication, shall be accepted by the Association and thereafter shall be maintained by the Association at its expense for the use and benefit of all of its members. Additionally, Declarant may make additional real estate, improved or unimproved, located adjacent to or near the Property, subject to this Declaration or some portion thereof. The Declarant expressly reserves the right to make such lands subject to this Declaration in whole or in part, and may

Section 3. Amendment. This Article II shall not be amended without the written consent of Declarant so long as the Declarant owns any of the Property.

Section 4. Use of Common Area for Additional Lands. Upon conveyance of the Common Area to the Association, or upon additional lands being made subject in part or in whole to this Declaration, the Declarant or its successors may reserve for the benefit of Lot Owners, included within additional lands annexed pursuant to Article II, Section 2 above, the right to utilize such Common Area for all reasonable purposes, specifically without limitation the retention area(s) and drainage easements contained within the Common Area may serve as retention area(s) or drainage easements for such additional lands.

When more than one person holds an interest in any Lot, all such persons shall be members. The vote for such Lot shall be exercised as the Owners of each Lot shall determine, but in no event shall more than one vote be cast with respect to any Lot.

Class B. The Class B members shall consist of the Declarant and his successors and shall be entitled to three (3) votes for each Lot owned. The Class B membership shall cease and be converted to Class A membership on the happening of any of the following events, whichever occurs earlier:

(c) when Declarant, in his sole discretion, so determines.

The Owners of Lots located within additional lands made subject to this Declaration, and the Declaration's ownership of Lots in such additional lands, shall be considered in determining the ratios set forth above. In the event that the Class B membership shall cease pursuant to subparagraph (1) above, and thereafter additional lands are made subject to this Declaration, said Class B membership may, at the option of the Declarant, be revived, and the Class B membership shall again have all powers conferred by this Declaration.

The Association shall be responsible for the exclusive management and control of the Common Area and all improvements thereon and shall keep such Common Area and improvements well maintained, in good, clean, attractive, and sanitary condition, order, and repair, pursuant to the terms and conditions of this Declaration and the Bylaws of the Association.

Section 2. Services. The Association may obtain and pay for the services of any person or entity to manage its affairs or any part thereof to the extent it deems advisable, as well as such other personnel as the Association may determine to be necessary or desirable for the proper operation of the Common Area and/or the Association, whether such personnel are furnished or employed directly by the Association or by any person or entity with whom or with which it contracts. ARTICLE V
Covenant for Maintenance Assessments

Section 1. Creation of the Lien and Personal Obligation of Assessments. The Declarant, for each Lot owned within the Properties, hereby covenants, and each Owner of any Lot by acceptance of a deed therefor, whether or not it shall be so expressed in such deed, is deemed to covenant, and agrees to pay the Association: (1) annual assessments or charges and (2) special assessments for capital improvements, all such assessments to be established and collected as hereinafter provided. The annual and special assessments, together with interest, costs, and reasonable attorneys' fees, shall be a charge on the land and shall be a continuing lien upon the Lot against which each such assessment is made. Each such assessment, together with interest, costs, and reasonable attorneys' fees, shall also be the personal obligation of the person who was the Owner of such Lot at the time when the assessments fell due. The personal obligation for delinquent assessments shall not pass to his successors in title unless expressly assumed by them.

Section 2. Purpose of Assessments. The assessments levied by the Association shall be used to promote the health, safety, and welfare of the residents in the Property and for the improvements and maintenance of the Common Area. Without limitation, the assessments shall also be used to maintain and operate the landscaping, water management system, fencing, irrigation systems, pumps, and other improvements on the Common Area, retention areas, buffer zones, entrances, landscaped islands, medians, and all other dedicated areas within the Property. Additionally, the assessment shall be used to maintain roads, directional signs, informational signs identifying the subdivision, sign lighting, and utilities within the Property as necessary. The Association may, but shall not be obligated to, use assessments to improve and maintain property adjacent to the Common Area or the Property in order to improve or maintain the property values within the Property.

Section 3. Maximum Annual Assessments and Declarant's Obligations to Pay Assessments.

(a) The annual homeowner assessment shall be assessed for the period January 1 through December 31 of each year, and shall be One Hundred Fifty Dollars (\$150.00) through December 31, 1994, and shall be prorated as of the date of closing of any Lot from the Developer to any Owner.

(b) The initial maximum annual assessments thereafter against Owners other than Declarant shall be One Hundred Fifty Dollars (\$150.00) per Lot. Declarant shall not be responsible to pay any assessment for Lots owned by Declarant until seventy-five percent (75%) of the Lots in this Phase Two have been conveyed by Declarant to third parties. On January 1 of the year immediately following the conveyance of seventy-five percent (75%) of the Lots by

Declarant, Declarant shall commence paying an annual assessment for each Lot then owned by Declarant. In the event additional lands are made subject to this Declaration pursuant to Article II, Section 2 above, additional Lots within such additional Property shall be included within any calculation necessary for this subparagraph (a), and at Declarant's option, Declarant's obligation to pay annual assessments may terminate until such time as seventy-five percent (75%) of the Lots owned by Declarant, including the Lots within such additional lands in this Phase Two, are conveyed by Declarant.

The Board of Directors shall notify the Owners in writing of the annual assessment for the coming year, and the full amount of said assessment shall be due and payable in advance for the coming year by the Owners to the Association prior to December 31. During such time(s) that Declarant is not obligated to pay an annual assessment, the total expenses of the Association incurred for the purposes set forth herein shall be paid from the annual assessments received by the Association from Owners other than Declarant. During such time(s) any difference in the amount of total expenses of the Association and the amount collected from Owners other than Declarant shall be paid by Declarant. There shall be no special assessments for capital improvements until Declarant begins paying assessments for Lots owned by Declarant. At any time Declarant may elect to pay assessments for each Lot owned by Declarant rather than pay the difference between the amount collected by the Association and the total expenses of the Association.

(c) For the year beginning January 1, 1995, and thereafter, the maximum annual assessment may be increased each year not more than ten percent (10%) above the maximum assessment for the previous year by a majority vote of the Board of the Association, without a vote of the membership.

(d) For the year beginning January 1, 1995, and thereafter, the maximum annual assessment may be increased above ten percent (10%) by a vote of two-thirds (2/3) of each class of members who are voting in person or by proxy at a meeting duly called for such purpose.

(e) The Board of Directors of the Association may fix the annual assessment at an amount not in excess of the maximum stated herein.

Section 4. Computation of Assessment. On or prior to November 1 of each year it shall be the duty of the Board of Directors of the Association to prepare and adopt a budget covering estimated costs of operating the Association for the coming calendar year, which budget shall include a capital contribution or reserve in accordance with a capital budget separately prepared.

The budget shall become effective unless disapproved at a meeting by the majority of the Owners of all phases of the Development within thirty (30) days of adoption of the budget by the Board. Notwithstanding the foregoing, however, in the event the membership disapproves the proposed budget or the Board of Directors fails for any reason so to determine the budget for the succeeding year, then and until such time as a budget shall have been determined, as provided herein, the budget in effect for the then current year shall continue for the succeeding year.

Section 5. Special Assessments for Capital Improvements. In addition to the annual assessments authorized above, the Association may levy in any assessment year a special assessment, applicable to that year only, for the purpose of defraying, in whole or in part, the costs of any construction, reconstruction, repair, or replacement of a capital improvement upon the Common Area of the Development, including fixtures and personal property related thereto, if any, provided that any such assessment shall have the assent of two-thirds (2/3) of the votes of each class of members who are voting in person or by proxy at a meeting duly called for this purpose.

Section 6. Notice and Quorum for Any Action Authorized Under Sections 3 and 5. Written notice of any meeting called for the purpose of taking any action authorized under Sections 3 or 5 shall be sent to all members of the Association not less than fifteen (15) days nor more than thirty (30) days in advance of the meeting. At such meeting the presence of members or of proxies entitled to cast a majority of all votes of all classes of membership shall constitute a quorum.

Section 7. Uniform Rate of Assessment. Both annual and special assessments must be fixed at a uniform rate for all Lots and may be collected on a monthly basis.

Section 8. Date of Commencement of Annual Assessments. The annual assessments provided for herein shall commence on January 1, 1994. The Association shall, upon demand and for a reasonable charge, furnish a certificate signed by an officer of the Association setting forth whether the assessments on a specified Lot have been paid. A properly executed certificate of the Association as to the status of assessments on a Lot is binding upon the Association as of the date of its issuance.

Section 9. Effect of Nonpayment of Assessments; Remedies of the Association. Any assessment not paid within thirty (30) days after the due date shall bear interest from the due date at the rate of eighteen percent (18%) per annum. The Association may bring an action at law or equity against the Owner personally obligated to pay the same or foreclose the lien against the Property. No Owner may waive or otherwise escape liability for the assessments provided for herein by non-use of the Common Area or

abandonment of his Lot. All payments shall be applied first to costs and attorneys' fees, then to late charges, then to interest, then to delinquent assessments, and then to any unpaid installments of the annual assessment or special assessments which are not the subject matter of suit in order of their coming due.

Section 10. Subordination of the Lien to Mortgages. The lien of the assessments provided for herein shall be subordinate to the lien of any first mortgage. Sale or transfer of any Lot shall not affect the assessment lien. However, the sale or transfer of any Lot pursuant to mortgage foreclosure, or any of the proceeding which shall extinguish the assessment lien on such Lot by such sale or transfer shall not relieve such Lot Owner from liability for any assessments due for any other assessment thereafter becoming due or from alien therefor.

Section 11. Mortgagees. Mortgagees are not required to collect assessments.

ARTICLE VI Architectural Control

No residence, building, mailbox, fence, wall, or other structure shall be commenced, erected, painted, or maintained upon the Properties, nor shall any exterior addition to, change, alteration, or repair (other than repairs restoring the exterior of any building located upon the Property to its original appearance and color) therein be made until the plans and specifications showing the nature, kind, shape, height, color, materials and location of the same shall have been submitted to and approved in writing as to harmony of external design and location in relation to surrounding structures and topography by the Board of Directors of the Association or by an Architectural Committee composed of three (3) or more representatives appointed by the Board. In the event said Board or its designated Committee fails to approve or disapprove such design and location within thirty (30) days after said plans and specifications have been submitted to it, approval will not be required and this Article will be deemed to have been fully complied with. All new construction must be fully completed within 180 days from the date of commencement of construction. (Notwithstanding the previous sentence, the Declarant reserves the discretion to relieve any Owner from such requirement in the event of hardship, as determined by the Declarant.) Failure to complete within the time limit set forth above shall subject the Owner of said Lot to a \$15.00 a day fine which shall be enforceable as a lien against said Lot to the same extent as set forth in Article V, section 9, above, and Article VII, section 1, below.

ARTICLE VII
Use Restrictions

Section 1. Violation. If any person claiming by, through, or under Declarant, or his successors or assigns, or any other person, shall violate or attempt to violate any of the covenants herein, it shall be lawful for the Declarant, the Association, or any Lot Owner to bring any proceeding at law or in equity against the person or persons violating or attempting to violate any such covenants, including actions to enjoin or prevent him or them from so doing, or to cause the violation to be remedies and to recover damages or other monies for such violations. If the party or parties bringing any such action prevail, they shall be entitled to recover from the person or persons violating these restrictions the costs incurred by such prevailing party, including reasonable attorneys' fees. Section 20. Driveways. A solid concrete driveway, minimum width of sixteen (16) feet, running from the street which the dwelling unit will face or from the street on the side of the dwelling unit on a corner Lot, to the garage, shall be constructed prior to the occupancy of the dwelling unit on any Lot, unless waived by the Architectural Review Committee because the Owner has constructed a side-entrance garage or a change in the width of the driveway is necessary to save the existing trees. ARTICLE VIII

The Declarant, for so long as he shall be an Owner, the Association or any Owner shall have the right to enforce, by any proceeding at law or in equity, all restrictions, conditions, covenants, reservations, liens, and charges now or hereafter imposed by the provisions of the Declaration and the prevailing party in any such action shall be entitled to be reimbursed reasonable attorney's fees and costs for such action. Failure by the Declarant, Association or by an Owner to enforce any covenant or restriction herein contained shall in no event be deemed a waiver of the right to do so thereafter.

Section 2. Severability. Invalidation of any one of these covenants or restrictions by judgment or court order shall in no manner affect any other provisions which shall in full force and effect.

Section 3. Amendment. The covenants and restrictions of this Declaration shall run with and bind the land for a term of twenty-five (25) years from the date this Declaration is recorded, after which time they shall be automatically extended for successive periods of ten (10) years. This Declaration may be amended during the first twenty-five (25) year period by an instrument signed by not less than ninety percent (90%) of the Lot Owners of Phase Two of the Development, and thereafter by an instrument signed by not less than seventy-five percent (75%) of the Lot Owners of Phase Two of the Development. The right to maintain and carry on such facilities and activities shall include specifically and without limitation the right to use Lots owned by the Declarant as models and sales
